

Felicitation of Officers of Commission

The Commission of Railway Safety Commission, during the year 2017-18 has achieved **best ever performance** since the inception of the Commission of Railway Safety overtaking all the milestones achieved earlier. In the current year also, Commission is heading towards another historical achievement by doing exemplary work for fulfilling **the Vision of Govt. Of India i.e. complete Electrification of Railway routes on IR by 2022** and large scale upgradation and addition to the existing Rail Infrastructure. Commission has worked very hard, hand in hand, with Indian Railways **in eliminating UMLCs** which have resulted in substantial reduction of accidents on level crossing gates every year.

In recognition to the exemplary work and outstanding performance of the Commission, following officers of the Commission have been felicitated by The Ministry of Railways for the achievements during the year 2017-18 and 2018-19–
